

English

Last week, you created a plan to write a poem about a home that you currently live in or your dream home. This week, you need to write your poem! Use your plan to help you and don't forget to proof read your work afterwards. You need to check for spellings, punctuation and you must make sure that your poem makes sense. Sit with an adult and see if they can help edit your work once you have finished writing.

Maths

1. Number lines

Draw a line.

Think of 2 digit numbers. Write on at the beginning of the line and one at the end.

Can you think of 3 numbers in between?

Where will they go on the line?

2. Add 10!

Roll a dice 3 times to create different 3 digit numbers, e.g 2,6,1 would be 261.

Now add 10 to the number!

Do this 5 times and then write all your numbers in order from the lowest to the highest!

3. Give us a clue!

Play this game with a partner.

Partner A thinks of a 2 digit number.

Partner B tries to guess what the number might be by asking questions!!

Think about what you know about properties of numbers – odd, even, higher, lower, between etc

Can you try this with 3 digit numbers!!?

Science

Hydroponics

What does the word hydroponics mean?

Watch this video!

<https://www.youtube.com/watch?v=eCSlrkOGTs>

Draw a picture showing what a seed would need so that it can germinate through hydroponics.

If you have cress seeds, kidney beans, apple seeds, coriander seeds or any other whole seeds at home, ask an adult if they will help you germinate them!

Keep a diary over the next 3 weeks and record what you can see.

Topic

Using ingredients which you have at home, or ingredients from your essential food shop, create a recipe which uses a variety of herbs or spices. Can you write instructions so that a friend could follow your recipe? Think: Did you try any new ingredients? Can you use any ingredients which you might be growing at home? Has this inspired you to make another recipe? Use the following links to give you some ideas:

R.E

Use the following link to read the E Book which explains Ramadan.

<https://www.twinkl.co.uk/resource/rameenas-ramadan-ebook-t-or-1353>

Are you celebrating Ramadan in your family? Write a diary entry explaining how you are celebrating in your house. If you are not celebrating, think about what you could do this week to give to others. Could you help with a job in the house? Could you send a family member a letter or card letting them know that you are thinking of them?
