

Easter Home Learning Activities

Easter is in Spring, and around this time we can see lots of new flowers growing. Next time you eat a piece of fruit or vegetable, see if you can keep the seeds. Plant in some soil, in a pot, an empty tin can, shoe or even an old bottle! Water it well and make sure it's somewhere it can get plenty of sun. If it starts to shoot, send us a picture!

Draw, paint or collage an Easter picture. You could draw some Easter eggs, flowers, chicks or even the Easter bunny!

Try writing some Easter themed mathematics word problems for your family to solve.

"If there were 10 eggs in the basket, and I ate 5, how many were left?"

Try writing an acrostic poem about Easter. Remember to use each letter of Easter – R could be for 'rabbit!'

Make a basket to hold your Easter treats! You can use recyclable materials, such as cardboard boxes, cans, bottles. The challenge is to put your treats inside the basket and carry it around the room without the handle breaking. The baskets below have been made out of plastic bottles and egg cartons!

Decorate boiled eggs. You can dye, paint, draw on or stick things to your egg. Take a look at the eggs below for some ideas:

Go on a Senses Scavenger Hunt instead of an Easter egg hunt. Search for:

- Something smooth,
- Something rough,
- Something yellow,
- Something that makes a noise!

For the full list of things to hunt for, see the recording sheet on the next page.

Write an email to a friend or teacher you're missing using **2Email** on **PurpleMash**. Wish them a happy Easter!

Plan your next family holiday! Use your imagination to plan:

- Where will you go?
- What will you need to pack?
- Who is coming with you?
- How will you get there?
- What will you see?
- What will you do?

My Five Senses Scavenger Hunt

Something smooth

Something rough

Something that makes a noise

Something round

Something yellow

Something that came from a plant

Something that has a smell

Something long

Something man-made

Something soft

Something you can eat

Something red
