Antarctica

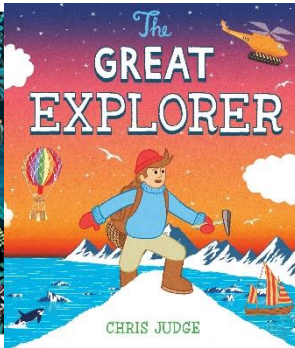

Ernest Shackleton

The crew of The Endurance.

There is no soil in Antarctica.
How can you **germinate** plants there?

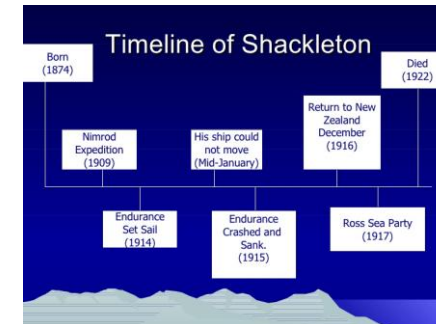

This is reading exploration is filled with adventure! 'A River' by Marc Martin and 'The Great Explorer' by Chris Judge.

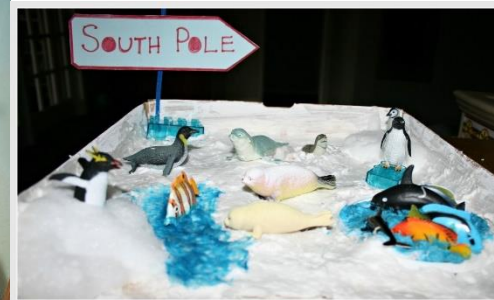

Explorers

Ernest Shackleton is a **historical** figure from the **past**. In the **timeline** of his life, his most famous expedition was in 1914. The **cause** of the problem was the ice. The **effect** was that Ernest saved his crew and brought them safely home.

The Endurance gets trapped in the ice!

Can you **design, create** and **develop** your own **model** of The Endurance stuck in the ice? What would the landscape of Antarctica look like around the ship?

It was hard to survive on the ice. What **equipment** and **ingredients** will you need to make Sledge Biscuits to keep the crew alive?
