

**PHOENIX INFANT ACADEMY, SLOUGH
SCHOOL GOVERNANCE COMMITTEE MEMBER**

MISS DIVYA PARMAR

TYPE OF COMMITTEE MEMBER:
ELECTED STAFF MEMBER

TERM OF OFFICE: 10.10.18- 10.10.22

DIVYA'S PROFESSIONAL BACKGROUND:

My name is Divya Parmar, I am a Teaching Assistant. I am in the process of studying Childhood and Youth Studies with Open University, with the aspiration of becoming a qualified teacher once I graduate. Working at Phoenix Infant Academy has allowed me to build a good professional relationship with all levels of staff and children across the different year groups. This is the first school I have worked in, since starting here my understanding of policies and procedures regarding childrens' learning and wellbeing has strengthened. EYFS has taught me the benefits of children learning through play as they get to create their own foundations of learning, e.g. learning through trial and error.

I have also had the privilege to work as a 1-1 at Phoenix Infant Academy which has given me the confidence and understanding of how I can adapt work and activities to support children in the best way possible.
