Tuesday 23rd June 2020

Dear Parent/Carers,

We are delighted you have accepted the offer of a Reception place at Phoenix Infant Academy in September. Mrs Pelazza, Principal, and the entire EYFS team are looking forward to meeting you very soon and supporting the transition from Nursery to our school.

The current COVID-19 crisis has presented an unprecedented situation for us all, but we wanted to reassure you that we are working on finding ways to overcome the new challenges that the crisis has presented to our school community.

We would usually be holding Summer induction events for you to visit us with your child in addition to you attending information events. Due to the current COVID-19 Government guidance, we are unable to host these events at school during the Summer term as hoped.

We understand that you may have lots of questions or concerns, so we have created you a page on our website where information for new Reception parents will be published regularly. This can be found at: <https://tinyurl.com/y7dnrls9>. We have also uploaded a video of our school site in its current COVID-19 safe format for you to share with your child to talk about where they will be going. We will also be hosting a live online information session for you to gain an insight into our school.

To attend this live online session, you will need to:

- Have internet access and either a mobile device with the free Microsoft TEAMS app downloaded, or a tablet or computer.
- On **Friday, 3rd July at 11am** you will need to click the below link, or type it into your device, and it will direct you to the Teams app or a webpage.
- <https://tinyurl.com/y84ugqzq>
- Follow the prompts to join as a guest, and the presentation will start. It may be helpful to try accessing the event up to 5 minutes early, to ensure you are online by the start of the presentation.
- If you need any support in how to access the online session, please contact us by Thursday, 2nd July.

Please be assured that you will receive further information about visits to school, home visits and start dates by Friday 11th September. We do apologise for not being able to confirm these at present, but this is a result of the current guidance from the Government, which is subject to change for September.

Thank you for choosing to join the Phoenix Infant Academy School community. We look forward to meeting your children and commencing our three-year journey together very soon.

Mrs Pelazza and the EYFS Team
