

Messages from the Principal:

I hope this newsletter continues to find you and your families well.

First of all, I would like to thank all parents/carers of children within the classes that were combined this week. You have all been so incredibly supportive and understanding of this change. And the children have coped so brilliantly! They have demonstrated our **HEROIC** values (see bottom right!) in force and are a credit to you all.

We are fast approaching the end of term. I am not sure where this year has gone. A reminder that the last day of term is *Tuesday 14th July*.

Key Dates

Reports - We will be emailing these on Friday 10th July. All parents/carers will have the opportunity to speak to their child's class teacher (pre-COVID-19) over the telephone before the end of the term should they wish. More information will follow in the report.

Next Year - Letters will be emailed to our current Reception and Year 1 families on Thursday 9th July informing you who your child's class teacher will be in September.

Year 2 Transition

As many of you will have heard, the Godolphin Junior Academy has closed until September. Our Year 2 children who are joining the school in the autumn will therefore not be able to take part in the planned transition activities as these will now not be going ahead. The Juniors will be in touch shortly.

Reporting Absence

A polite reminder to please telephone the school office on 01753 521888 between 8-8:30am each day if your child is not able to attend school. For health and safety reasons, we must account for each child not in school.

I do hope you all manage to enjoy the wonderful weather we're having and have a very happy weekend.

Mrs Pelazza, Principal

Stars of the Week!

Well done to the following 3 children who have achieved our 'Star of the Week' award this week: Adam D, Meerab and Hayyan! It's been wonderful to share in your successes at home! Remember—in order for your child to be considered, you **MUST** upload/share information on what they have been learning.

Staying in Touch

Please do get in contact via the Post email address if you have any questions/concerns or if your circumstances change:

Please do also continue to follow us on Twitter (@phoenixinfants) and log onto the 'Coronavirus Updates' and 'Re-Opening WC 8th June' sections on our website found at: www.phoenixinfants.uk.

Benefits-Related Free School Meals

Last week, the Government announced that families entitled to benefits-related free school meals would also receive vouchers over the summer holidays. This was a welcomed U-turn. Phoenix Infants will ensure that all vouchers are emailed/sent to families the week before the end of term.

If you are currently not in receipt of these vouchers, but you feel your financial circumstances have changed, please visit the following link to see if you are eligible for Universal Credit:
